- Lee the entertainment staff, he went out of his way to help us when we first arrived on board. Saravuth our head waiter was awesome!!! He remembered everyone's name and we were a party of 12. We were all very impressed with him, he made our dinners very enjoyable!

- Angela at the piano bar was unbelievable. Her talent and skill are a true virtue to the ship. Every night I made sure to visit the piano bar, because it was the most fun thing on the entire ship.
